

Preparing for the Graduate Record Exam (GRE)

Many applicants feel intimidated at the prospect of taking the GRE, but there are many excellent resources on campus and online to help you prepare. The list below represents just a small sampling of those resources; applicants should also conduct their own searches for resources and/or avail themselves of resources on their own campuses.

Online

- DiscoverBusiness.us: [*How to Study for the GRE: Example Questions, Resources, and Study Hacks*](#)
- ETS.org: [*Prepare for the GRE revised General Test*](#)
- UW Professional & Continuing Education: [*Tips for Mastering the GRE*](#)

On Campus

- UW Women's Center: [*GRE Prep Course 2015*](#)

GRE Prep Books (available in the [UW Libraries](#))

- *How to Prepare for the GRE Test* (with CD-ROM)
- *The Ultimate Math Refresher for the GRE, GMAT, and SAT* ☐
- *GRE: Practicing to Take the General Test* ☐
- *The GRE for Dummies*
