Name: _____________________________________________  Email: ______________________________
Student ID #: ____________________________________

Full title of your Research & Inquiry paper: ______________________________________________________

Use the button on the left to attach a copy of your paper.

In the space below, please provide an abstract of your presentation:

__________________________________________________________________________________________

__________________________________________________________________________________________

After successful completion of the written portion, you will be required to present at the annual COE Research & Inquiry Conference held in autumn quarter (the second Friday of November). Tell us more about your planned presentation by answering the following questions.

**What format will you present in?**  
☐ Structured Poster Presentation  
☐ Panel Presentation

**Occasionally, students may be asked to present materials at other College events. Would you be willing to share your paper with the COE Community beyond the R&I process?**  
☐ Yes  
☐ No

*If yes, please ensure you have IRB approval*
Which content areas best match your presentation? Please select 1-3 categories:

- Comparative Education
- Development of Children & Youth
- Developmental Disabilities
- Digital Literacies
- Early Childhood
- Education Policy
- Effective Schools & School Systems
- Historical & Philosophical Foundations of Education
- Immigration & Schooling
- Intercollegiate Athletics
- Leadership of Schools & School Systems
- Learning Sciences & Human Development
- Literacy
- Multicultural Education
- Measurement Statistics & Research
- Policy & Educational Reform
- Qualitative Research Methods
- Quantitative Research Methods
- Science & Mathematics
- Social-emotional Issues
- Social Studies
- Teacher Education & Research
- Technology in Teaching & Learning
- Other:

The undersigned members of the Research and Inquiry Committee recommend that the above named student (completion of three is required):

1. Produced a high quality paper demonstrating practical experience in the use of methods and the application of content learned in coursework
2. Plans to present during Research and Inquiry Conference in Autumn
3. Is encouraged to proceed with studies leading to the Doctor of Philosophy degree
