UNIVERSITY of WASHINGTON

COLLEGE OF EDUCATION AT A GLANCE

The College of Education, one of the nation's premier education schools, is dedicated to making an outstanding education a daily reality for every student in every community. The College was ranked #9 by *U.S. News and World Report* in its 2019 ratings, and #3 among public universities. Seven specialties ranked in the top 12: Curriculum and Instruction, Education Administration and Supervision, Education Policy, Educational Psychology, Elementary Teacher Education, Secondary Teacher Education and Special Education.

OUR COMMUNITY-FOCUSED AGENDA

The College of Education is a national leader in fostering and advancing equity-focused research-practice partnerships. Together with our school and community partners, we exchange knowledge and co-design justice-centered strategies that improve educational systems and create better futures for children and youth.

- Our students participated in more than 1,000 practicum experiences totaling more than 383,000 hours in 300+ Washington state schools, district offices, nonprofits and colleges during 2017-2018.
- Each year, more than 200 teacher candidates fulfill their student teaching requirements in our Ackerley Partner School Network, comprised of nearly 30 poverty-impacted, culturally diverse Seattle area schools.
- More than half of our teachers work in schools with a student racial and ethnic diversity population of over 40%.
- A third of our teacher graduates work in schools exceeding the state average of 46% of students on free/reduced lunch.
- Our alumni are leading change in schools throughout the nation. Four alumni are currently university and community college presidents, while hundreds are superintendents, principals or other top administrators.

2018-2019 STUDENT ENROLLMENT

Undergraduate Majors	485
Undergraduate Minors	113
Master of Education	333
Master in Teaching	216
Education Specialist	35
Doctor of Philosophy	185
Doctor of Education	31
Other	28
TOTAL	1,421

2018-2019 FACULTY

Total Faculty/Instructors	125
---------------------------	------------

PREPARING TOMORROW'S EDUCATIONAL LEADERS

(AVERAGE YEARLY TOTALS)

- Elementary Teachers **90**
- Special Education Teachers **30**
